University Rental Cars Resolution

Background: Could be sponsored by faculty or staff to use university fleet services

Issue: international student was at the counter to rent the vehicle, but non-US ID's are not approved to rent vehicles.

Current Policy: other international licenses are not approved to license vehicles

Resolution: provide opportunities for international students to rent vehicles consistent with other

Big 10 institutions and US DMV policies

38

31 for 1 no and 2 abstain
