IU Cinema

At IU Cinema, working with partners is in our DNA, which is why our Creative Collaborations program is near and dear to us! It allows us to work with you to showcase the critical work your organization or department does; build new artistic, cultural, and intellectual networks across our campus and community; and offer the type of world-class programming and facilities you can't find elsewhere.

Starting today, applications for 2025–26 program proposals will be accepted until 12pm (NOON) on November 23. To review guidelines, access proposal preparation documents, and complete the online application, please visit our information page.

Have questions or need assistance with your proposal? We're happy to help! Join us for a virtual Q&A and prep session on November 4 at 2pm, or email us anytime at iucollab@iu.edu.

Don't miss this amazing opportunity to be a part of IU Cinema!
