Accepting VP Applications

We are still accepting applications for the VP position within the GPSG Executive Committee! The deadline is this Friday, March 28 at midnight. The link for the application can found at the top of the email or on our website.

Although the application is officially closed for the Treasurer position, GPSG representatives can nominate themselves or others at the beginning of our General Assembly on Friday, April 4th. The same goes for those interested in the VP position who missed the March 28 deadline. Please contact your representatives if you would like them to nominate you for either position.
