Strategies to Support, Challenge, and Connect With ALL Your Students

Monday, July 26, 2021 11 a.m. - 12 noon, Online

In this interactive webinar, we will discuss Universal Design for Learning as a set of concepts and strategies to support, challenge, and connect with all students. Participants will have a chance to apply principles of UDL to their teaching and discuss with colleagues ways to remove barriers to learning.

Tips and Resources!

Emergency financial support for graduate students

If you are facing a financial hardship related to the COVID-19 pandemic or another financial hardship that is a one time, urgent, and unexpected financial difficulty that is impacting your ability to stay at IU, you may be able to get some emergency funding from the Division of Student Affairs.

While international students were not eligible for CARES Act funding in 2020, all students are eligible for the new HEERF II funding. Read more here.
